first published in 1988 this title is a study of the essay as a literary genre not just in terms of its general intellectual and literary history but as an exploration of the creative possibilities of the form the rise of the essay is discussed in relation to the rise of the novel and the emergence of empiricism in science but the main focus of graham good s study is on the inner workings of the essay itself drawing on criticism by adorno and lukacs graham good presents the genre as an expression of individualism freed from tradition and authority in which the self constructs itself and its object through independent observation through analysis of the work of such essayists as montaigne bacon virginia wolf t s eliot and george orwell the potential of the genre for independence and individualism is illustrated and the essay is resituated as an intellectually challenging form of creative and critical writing

ya la compró la cultura es un producto más sujeta a las leyes de la oferta y la demanda la cultura se ha convertido en una mercancía que debe seducir a los consumidores para que la compren y la utilicen esto es un problema es inevitable la cultura es sagrada y no debería estar sujeta a esos vaivenes sea como sea el fenómeno existe y de él dependen buena parte de la permanencia y reproducción de la cultura y de las instituciones que la fomentan las reflexiones teóricas que surgieron después de analizar los casos que conformaron el primer volumen de cultura en venta se concentraron en el papel de los estudios en la construcción de los estereotipos culturales los intermediarios en el proceso de selección de referencias los procesos de autenticación el papel de la moda la relevancia del valor de cambio y el principio de la reciprocidad y finalmente las resistencias ante las representaciones culturales este segundo volumen busca discutir cada una de esas cuestiones a la hora de analizar los usos y abusos de la relación existente entre el mercado y la cultura

la muestra se propone penetrar en el presente del arte español a través de la participación de 56 artistas no pretende arrojar una mirada totalizadora sobre el aquí y ahora sino dar mayor visibilidad a formas de trabajo que se han desarrollado en los últimos 20 años a modo de marco conceptual el proyecto se ha articulado en torno a la idea de expectativa entendida como una bisagra mediadora entre pasado presente y futuro

esta obra analiza las posibles relaciones entre la crítica de walter benjamin y la experiencia cultural del capitalismo en américa latina la hipótesis de que vista desde la perspectiva de la producción cultural la experiencia histórica latinoamericana del capitalismo ha estado sobredeterminada por lo político y que la violencia constituyente que define la acumulación originaria no sólo precede al capitalismo sino que lo acompaña siempre como su condición de existencia y reproducción este libro reúne nuevas lecturas contextuales es decir sociales de una parte fundamental del archivo cultural latinoamericano
