the sexual violence and impunity in south asia research project coordinated by zubaan and supported by the international development research centre brings together for the first time in the region a vast body of research on this important yet silenced subject six country volumes one each on bangladesh nepal pakistan sri lanka and two on india as well as two standalone volumes comprising over fifty research papers and two book length studies detail the histories of sexual violence and look at the systemic institutional societal individual and community structures that work together to perpetuate impunity for perpetrators the essays in this volume focus on nepal which though not directly colonized has not remained immune from the influence of colonialism in its neighbourhood in addition to home grown feudal patriarchal structures the writers in this volume clearly demonstrate that it is the larger colonial and post colonial context of the subcontinent that has enabled the structuring of inequalities and power relations in ways that today allow for widespread sexual violence and impunity in the country through legal systems medical regimes and social institutions the period after the 1990 democratic movement the subsequent political transformation in the aftermath of the maoist insurgency and the writing of the new constitution has seen an increase in public discussion about sexual violence the state has brought in a slew of legislation and action plans to address this problem and yet impunity for perpetrators remains intact and justice elusive what are the structures that enable such impunity what can be done to radically transform these how must states understand the search for justice for victims and survivors of sexual violence the essays in this volume attempt to trace a history of sexual violence in nepal look at the responses of women s groups and society at large and suggest

how this serious and wide ranging problem may be addressed

winner of the 2021 raphael lemkin book award from the institute for the study of genocide honorable mention 2020 calacs book prize beyond repair explores mayan women s agency in the search for redress for harm suffered during the genocidal violence perpetrated by the guatemalan state in the early 1980s at the height of the thirty six year armed conflict the book draws on eight years of feminist participatory action research conducted with fifty four q eqchi kaqchikel chuj and mam women who are seeking truth justice and reparation for the violence they experienced during the war and the women s rights activists lawyers psychologists mayan rights activists and researchers who have accompanied them as intermediaries for over a decade alison crosby and m brinton lykes use the concept of protagonism to deconstruct dominant psychological discursive constructions of women as victims survivors selves individuals and or subjects they argue that at different moments mayan women have been actively engaged as protagonists in constructivist and discursive performances through which they have narrated new mobile meanings of mayan woman repositioning themselves at the interstices of multiple communities and in their pursuit of redress for harm suffered
